

Two MRC Studentships Available For UK Residents.

MSc BIOINFORMATICS

Starting Date January 2009

This taught one year full-time course is specially targeted at biological science graduates.

It provides an excellent opportunity for students with a good background in biology, and an interest in computing to prepare for a career in science or industry.

Two MRC studentships for suitably qualified applicants are available.

For further information about the course content, please contact Dr Ralf Schmid on Tel: 0116 229 7023 or email: rs206@le.ac.uk. For further information about the Department visit our website at www.le.ac.uk/biochem.
