

School of Biological Sciences

PhD Recruitment Days

Wednesdays 24th January and 7th February 2007
10.30am to 6.00pm

A significant number of Ph.D studentships will be available from October 2007 for postgraduate research and training in all aspects of Biological Sciences within the following departments:

Biochemistry

www.le.ac.uk/biochem

Biology

www.le.ac.uk/biology

Cell Physiology & Pharmacology

www.le.ac.uk/cpp

Genetics

www.le.ac.uk/genetics

The Recruitment Days will provide the opportunity to discuss potential research projects with supervisors and postgraduate tutors, to view the excellent research facilities and to talk with current PhD students.

A buffet lunch will be served.

To apply to attend one of the Recruitment Days and to obtain further information on postgraduate research and training in any of the Departments, together with details of staff research interests, please visit the websites and follow the link to the on-line application form. Alternatively, please contact Liz Barber, Department of Biochemistry, University of Leicester, The Henry Wellcome Building, Lancaster Road, Leicester LE1 9HN (e.mail: eab22@le.ac.uk)

Applications should be received by 8th January 2007

Shortly after registration applicants will be sent a brochure containing information on postgraduate training and research and further details of the Recruitment Days.
